

GIA Biosecurity Forum

- When:** 8.30 am to 4.00 pm (coffee/tea on arrival)
5 September 2013
- Where:** New Zealand Institute of Chartered Accountants (NZICA)
Tower Building
50 Customhouse Quay
Wellington
- Who:** Organisations that have an interest in the GIA and the Deed

The GIA Interim Governance Body, which will transition into the Deed Governance Group described in the GIA Deed, will convene a forum in Wellington on 5 September 2013 to discuss a range of issues with industry and government representatives relevant to the GIA Deed and its implementation. The forum is open to all organisations that are likely to have an interest in signing this Deed and I hope you will be able to attend.

The preliminary agenda for the day-long meeting includes:

1. Presentation of the final Deed and its provisions, including panel discussion with the Joint Working Group
2. An update on Operational Agreement processes
3. GIA Response Model
4. An explanation of the mandate processes and requirements for signing the Deed
5. Proposed transition of governance arrangements from the Interim Governance Body to the Deed Governance Group.
6. Emerging biosecurity risks and organism ranking systems
7. Communications and engagement
8. Topics for the next forum

A concurrent facilitated session for government and industry communications experts will be held between 11.00 am and 12.45 pm and will discuss issues and approaches for shared communications and engagement on the GIA. It will report back to the forum at 2.15 pm.
